Hi Sir,

Just a couple corrections on the list; the initial occurrence wherein eight underage college student patrons were arrested in the premises occurred on October 16th, 2015 and I think ABC may have requested the thirty-day suspension in relation to this event and the enforcement actions that occurred in relation to it. Those are the only discrepancies that I noticed. Let me know if you need anything else sir.

Re: Case No. DIR 2016-0824(RV)
6364 W. Hollywood Blvd. LA 90028 (Cosmo Nightclub)

Dear Mr. Fargo,

Representing Hollywood on the Los Angeles City Council and the 13th Council District, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 6364 W. Hollywood Blvd, which houses the Cosmo nightclub, has been cited for multiple and repeated violations of its Conditional Use Permit, including failure of security guards to wear distinctive uniforms, failure to utilize electronic age verification devices, subletting the premises to outside promoters, improper notification to the Los Angeles Police Department (LAPD) of private parties, failure to adhere to mandated closing time, and allowance of amplified music to extend beyond the premises.

This location has also been found on multiple occasions to be a source of criminal activity and other threats to public safety. Some of these incidents include:

- October 6, 2015: Eight underage patrons were arrested in the venue, one of whom was in possession of alcohol. The manager, Conrad Straub, was also arrested.
- December 13, 2015: A shootout on the street occurred involving multiple people recovering guns from their respective vehicles. This incident involved individuals who were patronizing the club that evening.
- December 24, 2015: Another shootout occurred after a confrontation escalated outside of the club; the individuals involved had been patrons at the club shortly before this occurred.
- December 31, 2015: An undercover LAPD operation resulted in the arrest of the manager, Matthew Goldberg, who was also found to be in possession of cocaine.
- February 26, 2016: A brawl involving several members of Cosmo staff took place in front of the club. In response, ABC asked for a 30-day suspension of the alcohol license, a request which was appealed.
- April 16, 2016: The manager, Matthew Goldberg, was once again arrested after having been repeatedly cited by LAPD for violating Condition #17 of the Conditional Use Permit (admissions charges).
- April 25, 2016: A sexual assault occurred inside a storage closet at the club. Reportedly, a security guard employed by Cosmo broke up the assault while it was taking place, but did not apprehend the assailant nor did the guard contact the police. Instead, the victim left the club and filed a police report on her own accord. The assailant was allowed to leave the venue without repercussions.

Furthermore, the Cosmo nightclub is operated by the same manager and security team as the former Cashmere (aka The Day After) nightclub, which had been located at 6757 W. Hollywood Boulevard. That property is owned by Mr. Mehdi Bolour, who also owns the Cosmo property that is the subject of this case. The Conditional Use Permit at 6757 W. Hollywood Boulevard was revoked earlier this year by the Zoning Administrator (ZA) as part of Case No. DIR 2015-3461(RV). Based on the ZA's determination in that case, and the fact that the Cosmo location involves the very same individuals as the noncompliant and negligent Cashmere location, the long list of violations and criminal activity at Cosmo is extremely troubling.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. The recurring problems at this location violate the public trust and put a strain on City resources, including the Los Angeles Police Department, City Attorney, Department of Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the other tragic and unlawful incidents that have recently taken place, my office recommends Revocation of the existing Conditional Use Permit at this location.

Sincerely,

MITCH O'FARRELL

I could be wrong about that ABC 30 day suspension. I believe Tim Fargo had the most recent information on that. ABC moves super slow; they were involved in the October 16th, 2015, inspection and I think that it is more likely that they would be pursuing a suspension for that older incident.

Representing Hollywood on the Los Angeles City Council and the 13th Council District, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 6364 W. Hollywood Blvd, which houses the Cosmo nightclub, has been cited for multiple and repeated violations of its Conditional Use Permit, including failure of security guards to wear distinctive uniforms, failure to utilize electronic age verification devices, subletting the premises to outside promoters, improper notification to the Los Angeles Police Department (LAPD) of private parties, failure to adhere to mandated closing time, and allowance of amplified music to extend beyond the premises.

This location has also been found on multiple occasions to be a source of criminal activity and other threats to public safety. Some of these incidents include:

- *October 6, 2015:* Eight underage patrons were arrested in the venue, one of whom was in possession of alcohol. The manager, Conrad Straub, was also arrested.

- *December 13, 2015: *A shootout on the street occurred involving multiple people recovering guns from their respective vehicles. This incident involved individuals who were patronizing the club that evening.

- *December 24, 2015: *Another shootout occurred after a confrontation escalated outside of the club; the individuals involved had been patrons at the club shortly before this occurred.

- *December 31, 2015: *An undercover LAPD operation resulted in the arrest of the manager, Matthew Goldberg, who was also found to be in

possession of cocaine.

· *February 26, 2016: *A brawl involving several members of Cosmo staff took place in front of the club. In response, ABC asked for a 30-day suspension of the alcohol license, a request which was appealed.

· *April 16, 2016: *The manager, Matthew Goldberg, was once again arrested after having been repeatedly cited by LAPD for violating Condition #17 of the Conditional Use Permit (admissions charges).

· *April 25, 2016: *A sexual assault occurred inside a storage closet at the club. Reportedly, a security guard employed by Cosmo broke up the assault while it was taking place, but did not apprehend the assailant nor did the guard contact the police. Instead, the victim left the club and filed a police report on her own accord. The assailant was allowed to leave the venue without repercussions.

Furthermore, the Cosmo nightclub is operated by the same manager and security team as the former Cashmere (aka The Day After) nightclub, which had been located at 6757 W. Hollywood Boulevard. That property is owned by Mr. Mehdi Bolour, who also owns the Cosmo property that is the subject of this case. The Conditional Use Permit at 6757 W. Hollywood Boulevard was revoked earlier this year by the Zoning Administrator (ZA) as part of Case No. DIR 2015-3461(RV). Based on the ZA's determination in that case, and the fact that the Cosmo location involves the very same individuals as the noncompliant and negligent Cashmere location, the long list of violations and criminal activity at Cosmo is extremely troubling.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. The recurring problems at this location violate the public trust and put a strain on City resources, including the Los Angeles Police Department, City Attorney, Department of

Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the other tragic and unlawful incidents that have recently taken place, my office recommends *Revocation of* *the existing Conditional Use Permit* at this location.

Sincerely,

MITCH O'FARRELL

Hi Ben,

Can you please double check the list of violations/dates/etc. that I have cited. I just want to make sure I have all the facts correct.

Hi All,

When you have a chance can you please send me the CAD reports for the Cosmo Avenue/Hollywood Blvd intersection from 01/01/2014 to the present? We are preparing a case file for the "Cosmo" nightclub and have the CAD reports for Crimes, Arrests and Calls for Service for the physical address but don't have anything for the adjacent intersection. Please let me know if you can get the Calls for Service, Arrest Reports and Crime Reports for this intersection?

Hi officer thompson

I'm checking to see if you got the numbers I sent that showed my decline since they opened next door.

Secondly I have a question. If I were not to fly in for this- do you think they will still get revoked. Is it extremely important that I'm there. I ask cause hands are getting extremely. Busy and I leave for Africa at the end of May. I'm on overload. But if you think there's a chance they won't get revoked I'd like to know. So I guess I'm asking how major is my attendance at this hearing??!

As far as the revocation goes you never know for sure which way it is gonna go. I think we have an extremely good chance of getting them revoked and I really believe in our case. Your appearance would support our cause tremendously though and I would love to have your assistance in ensuring that the place gets shut down. If you are overloaded though I completely understand and wouldn't want you to overextend yourself in anyway for this hearing. Please let me know what you decide and we will make the appropriate arrangements for the hearing.

Hi officer thompson

I'm checking to see if you got the numbers I sent that showed my decline since they opened next door.

Secondly I have a question. If I were not to fly in for this- do you think they will still get revoked. Is it extremely important that I'm there. I ask cause hands are getting extremely. Busy and I leave for Africa at the end of May. I'm on overload. But if you think there's a chance they won't get revoked I'd like to know.
